

What's New for Rebuild Michigan 2006

Michigan Department of
Labor & Economic Growth

Energy Office

Rebuild Michigan - TEA Consultants Webcast 2006

New Directions in 2006

- Consultants Directory will list the types of services each consultant offers, in a matrix format.
- Energy Office staff will work with clients to explore several project options: TEA, Performance Contract, Smaller Component Projects and other resources
- Energy Office will focus on highlighting accomplishments
- Provide information to consultants more efficiently; via electronic distribution and webcast technology

Energy Office Funding Opportunities

- Local Government TEA Incentive
- Workshop Incentive
- Updated Energy Star Incentive
- Energy Smart School Grants
Beginning in February of 2006
